Christ Death and Resurrection

COMPASSION

COMPASSION in English, *compassione* in Italian, *compassion* in Spanish and in French are

coming from the two Latin words **CUM-PATIOR**. **PATIOR** means 'suffer' and **CUM** it means "with". Compassion therefore is the attitude of support and understanding that we show to those who suffer. We do this by our presence and concern in times of deep personal physical, moral, spiritual or emotional pain. This makes them feel that we understand their pain and we feel close to them. In a certain way their pain becomes our pain. Their pain will always be there but they will not feel alone, abandoned or forgotten, they fell and become stronger and their burden thus becomes much lighten and bearable.

The greatest compassion was shown to us by Christ when He became a Man to help us heal from the pains of our sins. Our God is a God of compassion, he came to stay with us in our pain... he came to heal the wounded...He invited those with pain to go to Him and their burden would be lightened.

Dad and mom are the two persons who can feel and experience the pain of each other and of their children... they can make each one in the family feel secure and at peace... this is especially the

ministry of a father in the family: to make the whole family feel they are not alone in their pain... His presence gives security

When we do not care about the family or community members who are in need and in pain then we show a selfish attitude which makes the whole family, church and society suffer much more... Everyone will feel insecure

Cum-Passion also means **TO BE WITH SOMEONE TO GIVE COURAGE AND A FIRE INSIDE THAT INSPIRES PEOPLE....** Nothing great has ever been done without **PASSION**

The opposite of compassion is: *"me lez nao... tomorrow...mi no save....wari blong iu"*

God save our communities from people who are lazy, non motivated... or worst still who are violent. Let us pray that each of us and our families may be the sign of God's love and compassion to the whole community... that each person may feel secure and committed to their mission in the church and society as prophets, servant leaders and members of the common priesthood of Christ

"We give and re-give all a sense of the value of SOLIDARITY as we promote, live and experience in our lives, true acts of JUSTICE & PEACE with our brothers and sisters and the nature around us"

Yes!! To deepen our commitment to a way of promoting true acts of Justice and Peace with each other in our diocese, let us bring forward this Lenten season a very special opportunity to grow close with our Heavenly Father.

Our Diocese is carrying out its Evaluations and Planning to Parishes, and this lent provides us with an opportunity to bring forward our failures and reflect deeply, and experience sorrow for what we've done and failed, and to be generous to our pastoral programs of activities.

The first paragraph of Pope Benedict VII Lenten message was an opportunity to reflect upon the very heart of Christian life, that is charity. ... "This is a favourable time to renew our journey of faith, both as individuals and as a community, with the help of the word of God and the sacraments...". The Pope said that this journey is marked by prayer and sharing, silence and fasting, in anticipation of the joy of Easter.

Next of this page are the 10 interesting facts about the Lenten season.

Here are some interesting facts about the Lenten season:

1. Lent is the period of 40 days before Easter in the Christian calendar. Sundays are not included in the count. It falls on a different date each year because it is dependent on the date of Easter Sunday.
2. Why 40 days? The number is significant in Jewish-Christian scripture: in Genesis, it took 40 days and nights of rain to cause a flood which destroyed the earth; the Hebrews spent 40 years in the wilderness before reaching the Promised Land; Moses fasted for 40 days before receiving the Ten Commandments on Mount Sinai; Jesus spent 40 days of fasting in preparation for his ministry.
3. Lent is derived from an Old English word which means "lengthen." The last week of Lent is called Holy Week.
4. Violet is the symbolic colour for Lent, with altars, statues and other religious paraphernalia veiled in violet fabric.
5. Why violet? The colour is associated with mourning, which anticipates Christ's pain and suffering on the cross; and royalty, which celebrates Christ's resurrection.
6. In most Christian denominations, Lent starts with Ash Wednesday, which is derived from the practice of placing ashes on the foreheads of the faithful as a sign of repentance to God. The ashes are made by burning the blessed palms that were distributed the previous year on Palm Sunday.
7. Ash Wednesday is observed by fasting, abstinence from meat, prayer, and repentance. Other days of abstinence from meat include all Fridays during Lent.
8. During Lent, the faithful are encouraged to surrender a particular vice, such as smoking or favourite food items, as a reflection of Jesus' deprivation in the wilderness and test of self-discipline.
9. It is wise to abstain from mobile or electronic games, movies, as a form of sacrifice during the Lenten season. It is wise to watch videos of the Seven Last Words and the station of the Cross rather than watching fighting videos.

Jewish view on Catholics

Jewish Sam Miller on Catholics

Excerpts of an article written by non-Catholic Sam Miller - a prominent Cleveland Jewish businessman:

"Why would newspapers carry on a vendetta on one of the most important institutions that we have today in the United States, namely the Catholic Church?"

Do you know - the Catholic Church educates 2.6 million students everyday at the cost to that Church of 10 billion dollars, and a savings on the other hand to the American taxpayer of 18 billion dollars.

The graduates go on to graduate studies at the rate of 92%. The Church has 230 colleges and universities in the U.S. with an enrolment of 700,000 students.

The Catholic Church has a non-profit hospital system of 637 hospitals, which account for hospital treatment of 1 out of every 5 people - not just Catholics - in the United States today

But the press is vindictive and trying to totally denigrate in every way

the Catholic Church in this country.

They have blamed the disease of pedophilia on the Catholic Church, which is as irresponsible as blaming adultery on the institution of marriage.

Let me give you some figures that Catholics should know and remember. For example:

12% of the 300 Protestant clergy surveyed admitted to sexual intercourse with a parishioner;

38% acknowledged other inappropriate sexual contact in a study by the United Methodist Church,

41.8% of clergy women reported unwanted sexual behaviour;

17% of laywomen have been sexually harassed.

Meanwhile, 1.7% of the Catholic clergy has been found guilty of pedophilia.

10% of the Protestant ministers have been found guilty of pedophilia. This is not a Catholic Problem.

A study of American priests showed that most are happy in the

priesthood and find it even better than they had expected, and that most, if given the choice, would choose to be priests again in face of all this obnoxious PR the church has been receiving. The Catholic Church is bleeding from self-inflicted wounds. The agony that Catholics have felt and suffered is not necessarily the fault of the Church. You have been hurt by a small number of wayward priests that have probably been totally weeded out by now.

Walk with your shoulders high and your head higher. Be a proud member of the most important non-governmental agency in the United States.

Then remember what Jeremiah said: 'Stand by the roads, and look and ask for the ancient paths, where the good way is and walk in it, and find rest for your souls'.

Be proud to speak up for your faith with pride and reverence and learn what your Church does for all other religions.

"Be proud that you're a Catholic."

SELF AFFIRMATION

WHAT DOES THE BIBLE SAY?

This idea is already emphasized by the last of the 10 commandments.

“you shall not covet your neighbors house.....wife.....”

(Ex. 20:17)

Jesus will deepen it : “Anyone who looks at a woman covetously (=desire to possess her), has already, in him, committed adultery with her.” (Mat. 5:28)

“The will of God, St. Paul writes, is that you live in holiness, that you abstain from debauchery, that each takes a wife in order to live in holiness and honor, without allowing yourself to be carried away by desire as the pagans do who do not know God.” (1 Thes 4:3-5)
